WRIT PETITION No. 19650 OF 2005

-

Dated 28th November, 2005

Between:

Masanna & others … Petitioners

And

State of A.P., represented by its

Secretary, Revenue Department,

Secretariat, Hyderabad and others.

… Respondents.

ORAL ORDER:

(per Honourable Sri Justice Bilal Nazki)

Heard learned counsel for parties.

The grievance of the writ petitioners was that a piece of land was donated by one of the villagers for construction of the school building. In spite of the donation of the land admeasuring Ac.9.09 guntas, the respondents did not choose to construct the school building over the said site, but, on the other hand, to benefit some, they acquired the land for the purpose of the construction of school building.

Counters have been filed and we have heard the learned counsel for parties.

It is stated that the land donated for the purpose of construction of school is two kilometers away from the village and there is no road leading to the site and the expenditure in laying down the road would be much more than acquiring the land at the road side, which has already been done and construction of school building has already been started. In this view of the matter, we do not find any merit in this writ petition and it is accordingly dismissed. No costs.
